

Does your child have a hard time making or keeping friends?

Social Skill-Building Groups for Children Ages 7-13

Children will learn a variety of skills including how to:

- ✪ Make and keep friends
- ✪ Join a group at play and be fun to interact with
- ✪ Resolve conflict with peers
- ✪ Cope with peer rejection and teasing
- ✪ Have a 2-way conversation
- ✪ Make a good first impression and develop a good reputation
- ✪ Be a good sport on a play date

Groups will meet one night per week for 9 weeks.

Parents will also receive helpful information about enhancing their child's social skills.

Cost of the program: \$80 if paid "up-front" or \$100 if paid "week by week."

Contact the ASU Clinical Psychology Center if you are interested.

Space is limited.
